Small Business Checking	/	Monthly	Monthly	—	—	—	Daily Balance	—
Business Checking	/	Monthly	Monthly	—	\$2,500.00	—	Daily Balance	—

ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of interest to be paid on an account based on the interest rate and frequency of compounding for an annual period. For all accounts, the interest rate and annual percentage yield may change monthly as determined by the Credit

Union's Board of Directors. Business Money Market accounts are tiered rate accounts. The balance ranges and corresponding interest rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, once a particular range is met, the interest rate and annual percentage yield for that balance range will apply to the full balance of your account.

2. INTEREST COMPOUNDING AND CREDITING — The compounding and crediting frequency applicable to each account is set forth in the Rate Schedule.

3. ACCRUAL OF INTEREST — For all earning accounts, interest will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For all accounts, if you close your account before accrued interest is credited, you will

not receive the accrued interest. *If you are a resident alien and you do not have and are not eligible to get a social security number, the Credit Union may assist you in obtaining an IRS individual taxpayer identification number ("ITIN"), and also temporarily open an account without a taxpayer identification number. In such event, any account you have with us will temporarily not earn interest on the balance in the account, until you provide us with the IRS ITIN and execute a W-9 Certification under penalty of perjury.

4. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Business Money Market and Business Checking accounts, there is a minimum daily balance required to avoid a service fee for the crediting period. If the minimum daily balance requirement is not met during each day of the crediting period, you will be charged a service fee as stated in the Fee Schedule. For accounts using the daily balance method as stated in the Rate Schedule interest is calculated by applying a daily periodic rate to the principal in the account each day.

5. ACCOUNT LIMITATIONS — For Business Membership Savings, Business Subsidiary Savings, and Business Money Market accounts, you may make no more than six (6) transfers and withdrawals from your account to another account of yours or to a third party in any month by means of a preauthorized, automatic, or Internet transfer, by telephonic order or instruction, or by check, draft, debit card or similar order. If you exceed these limitations, your account may be subject to a fee or be closed. For Small Business Checking and Business Checking accounts, no account limitations apply.

6. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the

draft, item or transaction. Please refer to the Fee Schedule for current fee information.

7. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	\$5.00
Number of Shares Required	1
